

Rethinking Repellents
To Save 200,000 Lives Per year

Why it Matters

3 million

Die annually

From mosquito and bacteria
borne diseases

\$400 billion

Lost annual GDP

Growth to the poorest countries from
mosquito and bacteria borne disease

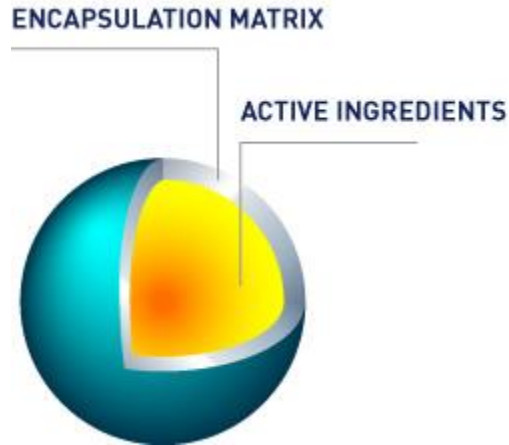

250 million

Are disfigured

Due to the mosquito borne disease,
lymphatic filariasis

How it works

Water Based Formula

No ethanol is used that may lead to skin irritation.

Antiseptic

Non-alcohol based antiseptic to sanitize and disinfect from harmful germs.

Hydrating Moisturizer

Aloe vera and Shea butter hydrates the skin for a refreshing feeling.

**Delivered in
Manufacturing PODs**
